

RECORD REVIEW

Covill for County Legislator

Kitley Covill, another newcomer to elected office, has had a tremendous first term serving as county legislator for District 2, which includes Bedford, Lewisboro and Pound Ridge. We believe any opponent would be hard-pressed to run against her record, energy and priorities. Her opponent, Gina Arena, is a caring and compassionate voice. She has overcome family tragedies and hardships, and turned those losses into enduring gains for others. She has struggled to provide details on her legislative agenda, other than focusing on affordability (a good goal). Ms. Covill, meanwhile, can point to a long list of legislative and budgetary accomplishments that bear her fingerprints. She has delivered on her personal priorities, increasing resources for local parks, victims of domestic violence and veterans. She also has been accessible and responsive to her constituents' concerns. She wins our strong endorsement for another term.
